On street - weekly alternate side parking

1. For the alternate side parking system, a week is the period from Sunday 4 PM to Sunday 8 PM.
2. Shaded weeks are designated ODD numbered weeks, and motorists should park on the ODD numbered side of streets.
3. Unshaded weeks are designated EVEN numbered weeks, and motorists should park on the EVEN numbered side of streets.
4. Parking is permitted on both sides of the street **only** during the change-over period on Sunday evening from 4 PM to 8 PM.
5. This schedule is superseded by on-street signage. (Example: No parking on one side.)

The alternate side parking system is in effect during the **entire** year and results in better plowing service and increased safety for motorists. The summer cleanup of streets is also expedited by the year-round system.

Reminder: All vehicles parked on street must be moved every 24 hours. Parking is prohibited in alleys, boulevards, and front yards.

Minimum parking distance to:

Driveways and alleys..... 7'
 Hydrants 10'
 Crosswalks 20'
 Stop signs..... 30'

Your cooperation is requested in minimizing the need for enforcement action. Noncompliance will result in ticketing and/or towing.

Winter Reminder: City ordinance requires residents to keep the public sidewalks abutting their property free of snow and ice. Violations of this ordinance are enforced.

Snow Plowing Inquiries: (218) 730-5100

We suggest that you keep this card in your motor vehicle for ready reference. Additional cards are available at the Parking Services Office at City Hall or at www.duluthmn.gov/parking/on-street-parking

Property owners/management, please share this information with tenants.
